Searching for Policy Documents

[HealthPoint](#) provides the complete suite of policy and related documents with fully functional hyperlinks – **it should be used as the primary source** of policy documents. Depending on your connectivity there are two ways to search for policies.

Via HealthPoint		Via SharePoint Online	
HealthPoint policy library	• All policies, procedures and guidelines • All related documents and hyperlinks available • Search functions by keyword or by WACHS region	Policies viewed on the Internet	• Available from mobile devices • HealthPoint hyperlinks and related documents are inaccessible • Sensitive policy documents are unavailable
Policy library A-Z	• Policies arranged alphabetically	Internet Search	• Search using google (or other search engine) Use: WACHS policy <search term>

Feedback and Suggestions

To provide specialty specific feedback, please contact [Kate Reynolds](#)

The WACHS Policy Unit welcomes your feedback and encourages subject matter experts, stakeholders, and staff to identify changes in regulations, best practice, and to identify areas of missing or insufficient policy scope.

[Feedback forms](#) are available on the [Policy Consultation](#) page. Alternatively, feedback can be provided via email directly to the WACHS Policy Unit. Policy improvement requests and suggestions can be provided at any time.
