

Kids, know your rights

I have a right to:

Access

I can get the **healthcare** I need.

Safety

I should feel **safe** and receive **good** care.

Respect

I should be treated **kindly**.
My **culture** and **choices** **respected**.

Partnership

I can **ask questions**, **make decisions**,
and include others I want in my **care**.

Information

I should get clear **information**
about **health**, **services**, and **treatment**.

Privacy

My **privacy** and **health information**
should be **protected**.

Feedback

I can give **feedback** without affecting my
care, and have **concerns** **addressed quickly**.
