Directorate overview

Bunbury Hospital is an acute and specialist care facility with a focus on providing high quality and compassionate health care services to Bunbury and the South West community of Western Australia. Bunbury Hospital has four specialty clinical directorates covering: Emergency and Mental Health care; Surgical Services; Intensive Care, General and Geriatric medicine; Paediatrics, Obstetrics and Gynaecology. Supporting these directorates, are Allied Health and Community Services and Operational Services directorates.

As a public hospital servicing our community, we work closely with our partners to develop contemporary person-centred care pathways - with the aim of improving access to services closer to home. Bunbury Hospital is also co-located with the private St John of God Hospital, Genesis Radiation Oncology, Imaging Services, Dental Health and PathWest at the South West Health Campus.

We actively support and encourage diversity and inclusion across all occupational groups through the development and implementation of initiatives aimed at accessing and improving employment and mentoring opportunities for all people. Our strategies are located at www.wacountry.health.wa.gov.au
