about the role

The **Senior Medical Practitioner** role will either work within the ED or on the wards of Narrogin Hospital.

The **ED** is staffed by 1 RMO, 1 Intern, medical students, Nurse Practitioners, registered nurses, graduate nurses, and on-call anaesthetists. The department is always staffed by an SMP, shifts within the department are in 12-hour intervals, both during the day (0800-2000) and at night (2000-0800). The department is also supported by Emergency Telehealth Service access to immediate specialist expertise through telecommunication technology.

The **Ward** is staffed by 1 RMO, regular nurses, graduate nurses, student doctors, and allied health professionals, including OTs, speech pathologists, physiotherapists, and dieticians. Shifts are 8-hour intervals, both on weekdays (0800-1630) and weekends (0800-1800), allowing for flexibility in your schedule.

**Apply Now to the SMP ED / Ward Pool**

The **Senior Medical Practitioner - Obstetrics** in addition to supporting the Emergency Medicine Department, you will play a pivotal part in providing essential maternity and obstetrics care to our rural community. You'll conduct approximately 2 to 3 deliveries per week, with a focus on low to medium-risk deliveries, ensuring the safety and well-being of expectant mothers and their newborns. Our hospital boasts a state-of-the-art maternity birthing suite, complete with a two-bed birthing suite, a spacious bath for water births, and a four-bed ward dedicated to postnatal care.

about the role

The **Senior Medical Practitioner - Anaesthetics** in addition to supporting the Emergency Medicine Department, you will play a vital part in delivering anaesthesia services, particularly for challenging cases including procedural sedation and airway management. Our hospital is well-equipped, with upgraded theatres and an array of state-of-the-art equipment, providing you with the tools needed to excel in your role. For both roles a typical roster would involve working shifts in the ED and/or the In-patient Ward, plus one day a week in Theatre (if SMP Anaesthetics) or Antenatal Clinic (if SMP Obstetrics) plus on-call which is typically 1 in 3.

## About the region and the hospital

The Wheatbelt surrounds the northern and eastern part of Perth and covers 155,256 sq km. It is home to 75,455 residents

Narrogin is a charming town located in the heart of Western Australia, known for its rich agricultural heritage and friendly community atmosphere. Situated approximately 192 kilometers southeast of Perth, Narrogin is surrounded by picturesque farmland, making it an essential hub for the region's farming and agricultural activities. The town offers a blend of modern amenities and a touch of historical charm, with its wide streets and well-preserved heritage buildings. The town's welcoming community is celebrated for its strong sense of unity, hosting various local events and festivals that bring residents and visitors together. Narrogin is a gateway to exploring the natural beauty of the Wheatbelt region, making it a favored destination for those seeking a peaceful escape or an appreciation of rural Australian life.
