

Yes

Are you only attending allied health or dental appointment(s)?

No

Apply for PATS via the
Specialist Allied Health and Specialist Dental pathway

Apply for PATS via the
Specialist Medical pathway

If you are attending an **allied health / dental AND medical appointment**, include details of every appointment in your Specialist Medical application.

Two forms are required for each trip

Form 1: Apply for PATS (specialist allied health and specialist dental) can be submitted before or after your trip. The documents required to support your application are listed on the form.

Form 2: Verification for PATS assistance (specialist allied health and specialist dental) must be signed at your appointment and be submitted after your trip. If you didn't get this form signed on your trip, contact: PATS.AHD@health.wa.gov.au.

Email your forms to PATS.AHD@health.wa.gov.au or your local PATS office can email them for you.

The forms required depend on when you apply

Apply AFTER your trip (Reimbursement) submit **Form B**, and make sure the 'Clinic Employee Declaration' section is completed at your appointment.

Apply BEFORE your trip (Assistance in Advance) submit **Form C.1** before your trip. Get **Form C.2** signed at your appointment and submit after the trip.

If you have not applied for PATS in the last 12 months or if you need to update your details (i.e. Medicare, banking), you also need to submit **Form A** with your other forms.

Submit your forms to your local PATS office via email or in person.
